

Dear Divine Child CYO Players and Parents,

A new rule has been implemented this year for CYO baseball whereby no player will be allowed to play travel baseball at the same time as CYO baseball. We understand commitments have been made, but we wish to encourage the continued dedication to the CYO program. CYO stresses many things but first and foremost we stress the connection to Christ and sport. The goal of CYO is to grow our student athletes spiritually, academically and athletically. We ask that when you make your decisions this upcoming Spring, please remember the joy of playing for your school, playing alongside your classmates and playing with a connection towards Christ.

God Bless and Go Falcons!!

Divine Child CYO Athletic Department Staff
